Want to say thank you

to your PCA, MA, UST, surgical tech, mental health worker, or unit secretary?

Share your story!

PCAs, MAs, USTs, surgical techs, mental health workers, and unit secretaries collaborate closely with nurses and clinical teams to deliver excellent care in inpatient units, outpatient practices, perioperative areas, and the Emergency Department. They collect specimens, check vital signs, maintain sterility, and cleanliness of equipment and help patients with other activities, such as eating and hygiene in the inpatient setting. In all settings, these staff treat patients and families with compassion and work to establish trusting relationships. "TULIP" stands for "Touching Unique Lives In Practice." It celebrates the ways that these team members go above and beyond for their patients and their colleagues.

Please say thank you by sharing your story of how your PCA, MA, UST, surgical tech, mental health worker, or unit secretary made a difference you will never forget! Thank you!

Your name: _____

Phone: _____

Email: _____

Please contact me if my nominee is chosen so that I may attend the celebration if available.

I am: □ RN □ MD □ Patient □ Staff □ Volunteer □ Family/Visitor

Date of nomination:

To nominate an extraordinary staff member, mail this form to:

Brigham and Women's Faulkner Hospital Nursing Administration office 1153 Centre Street, Boston, MA 02130

TUL P AWARD

Name of the staff member you are nominating:

Unit where this staff member works: _____

Please share your story of how your PCA, MA, UST, surgical tech, mental health worker, or unit secretary is so special by describing a situation or moment demonstrating how they made a meaningful difference. As you share your story, please consider how they made a special connection, showed caring and compassion, or went above and beyond what is typically expected.
