

Healing Hands

Adaptive Yoga Program

Six week Zoom program for improved mindfulness, flexibility and health and well-being for individuals with arm, wrist, and elbow injuries.

This program is tailored for individuals who have a hand, wrist or elbow injury that require adaptations to engage in a yoga practice. Suitable for all levels with guidance for safe and appropriate breathing exercises (pranayama), physical postures (asana), pain management techniques, joint protection strategies and mindfulness practices. This class will create mental and physical strength by creating space and releasing muscle tension. Specific modifications to promote healing and to ensure comfort will be discussed with each participant prior to the course.

Where: Meets via Zoom (link will be sent to participants)

Who: 5 to 10 participants per cycle

When: Tuesdays, time TBD, for 6 weeks

Cost for 6 Week Program: \$75 for new participants and \$60 for returning participants (non-refundable).

About the Instructor: Barbara Jackson also known as "Babz" is an occupational therapist, certified yoga teacher, certified in yoga4cancer, LoveYourBrain, Yoga for Trauma training, and reiki attuned. Babz is a certified lymphedema therapist specializing in manual lymph drainage and currently works in an orthopedic setting specializing in upper extremity impairments. Babz integrates her clinical techniques into her yoga practice. Babz has studied the effects of yoga & mindfulness with multiple populations. She is eager to introduce her six week wellness program to help to teach and support those who are unable to engage in a typical yoga class.

To Sign Up: Please email the instructor Barbara Jackson at bjackson8@partners.org to be provided with an intake form. If you have questions about if this class is appropriate for you, please don't hesitate to e-mail Barbara.
