	<i>Vocera: Dial 617-477-2199 and say "Ginny Grace" or "Outpatient Infusion Center"</i>		
Nurse Director	Kathy Merrigan, MSN, RN	kmerrigan@bwh.harvard.edu	617-983-7061
Medical Director	Dr. Muthoka L. Mutinga	mmutinga@bwh.harvard.edu	617-983-7848

Parking

Valet and self-parking is available at the 1st floor entrance. Discounted parking is available for patient treatments greater than 6 hours.

New Referrals/Ordering/Scheduling

All orders for medications and services should be entered directly in EPIC. The Booking Coordinator will reach out to the patient and schedule an appointment after a referral is placed to the Outpatient Infusion Center.

Generally, the Outpatient Infusion Center has availability to take same day add on patients. Please call the Booking Coordinator to discuss coordinating a same day appointment.

There is a full-time Booking Coordinator as well as a registered nurse available for any questions about the patient's appointment. Please call 617-983-7521, Monday through Friday, 7 am to 4:30pm.

Credentialing

All referring providers must be credentialed at Brigham and Women's Faulkner Hospital in order to write orders for treatments/services in the Outpatient Infusion Center. For providers with questions on the process for credentialing at Brigham and Women's Faulkner Hospital please contact Kate Powers at kdpowers@bwh.harvard.edu.

Thank you for choosing Brigham and Women's Faulkner Hospital for your patient's care!
