#### WINDOWS

- 1) Right-click on the Windows icon (lower-left corner of the screen), then click on Settings.
- Type "pop" or "block" into the search box on the window that comes up and select "Block or allow pop-ups" from the suggested entries.
- 3) Internet Properties window comes up, with the Privacy tab selected. Make sure the "Turn on Pop-Up Blocker" checkbox is checked, then click on the Settings button.
- 4) Pop-Up Blocker Settings window comes up. Add (https://mychart.partners.org) the URL address of the website for which you want to allow pop-ups and click on the Add button.
- 5) Click on Close to apply the changes and close the window.
- 6) Click on OK in the Internet Properties window to apply the changes and close the window.

#### **WINDOWS**

- 1) Select the menu button  $\equiv$  in the upper right corner to open the Firefox menu.
- 2) Click Options. Options
- 3) Select the Privacy & Security panel
  - Under the Permissions section, uncheck the box next to Block pop-up windows to disable the pop-up blocker altogether.
  - Click on **Exceptions...** to open a dialog box with a list of sites that you want to allow to display pop-ups.
- 4) To enable the browser to recognize UD servers as trusted sites and, therefore, enable pop-ups from these sites, in the Address of web site field, type (https://mychart.partners.org) and click Allow.

| Allowed Websites - Pop-ups   | ×   |
|--|-----|
| You can specify which websites are allowed to open pop-up windows. Type the exact address of the site you w to allow and then click Allow. | ant |
| A <u>d</u> dress of website  |     |

- 5) Click Close
- 6) Click OK to close the Options dialog box.

#### WINDOWS

By default, Chrome will notify you when a pop-up is blocked and give you an option to see it. To turn off the pop-up blocker, follow these instructions:

- 1) Go to a page (https://mychart.partners.org) where pop-ups are blocked.
- 2) In the address bar, click Pop-up blocked.
- 3) Click the link for the pop-up you want to see.
- To always see pop-ups for the site, select Always allow pop-ups and redirects from [site] > Done.

|   |   | <b>L</b>  |  |
|---|---|-----------|--|
|   | The following pop-ups were blocked on t       | his page: |  |
